Description

Surface Pro Type Cover has a new improved design with slightly spread out keys for a more familiar and efficient typing experience that feels like a traditional laptop. The two button trackpad is now larger for precision control and navigation. The keyboard is sturdy with enhanced magnetic stability along the fold so you can adjust it to the right angle and work on your lap, on the plane, or at your desk. Since it's designed just for Surface, Surface Pro Type Cover easily clicks into place to go from tablet to laptop instantly.

Specifications

Tablet to laptop in a snap

The next generation of Type Cover, made for Surface Pro, offers the most advanced Surface typing experience yet. Surface Pro Type Cover feels and performs like a traditional laptop with a redesigned mechanical keyboard with optimal key spacing for fast and fluid typing, and an enlarged glass trackpad for precision control and navigation. Adding Surface Pro Type Cover to Surface Pro instantly puts a highly versatile laptop in your hands. Full laptop experience Surface Pro Type Cover has a new improved design with slightly spread out keys for a more familiar and efficient typing experience that feels like a traditional laptop. The two button trackpad is now larger for precision control and navigation. Work the way you want The keyboard is sturdy with enhanced magnetic stability along the fold so you can adjust it to the right angle and work on your lap, on the plane, or at your desk. Since it's designed just for Surface, Surface Pro Type Cover easily clicks into place to go from tablet to laptop instantly. Protective and productive Fold Surface Pro Type Cover back like a magazine for a tablet experience with Surface Pro 4. The keys are disabled when the cover is flipped back to avoid inadvertent typing. When you fold Surface Pro Type Cover over the display, it functions as a protective shell, shielding the screen from bumps and scratches. Make it yours Surface Pro Type Cover is made from premium materials and feels soft to the touch yet sturdy and quiet when typing. It's available in multiple colors so you can express your personal style. Choose from Black, Red, Blue, Bright Blue, and Teal. Plus Surface Pro Type Cover is backlit, so you can continue working after the lights go out.
