Description

With its 5.3" HD+ display, Galaxy A3 Core offers an immersive experience on the large, wide screen. So you can enjoy your content with a view pleasing to the eye. Holding a big battery that fits seamlessly inside the 8.6 mm thick device, the slim Galaxy A3 Core shows off an eye catching stripe design on the outside. Capture clear, beautiful photos of your favorite moments with Galaxy A3 Core's bright 8 MP rear camera. Or turn it around and use the 5 MP front camera to put the spotlight on you. Galaxy A3 Core is made for what you do in your day-to-day. It comes with 1 GB of RAM for smooth performance and 16 GB of internal memory. Android (Go edition) also helps keep your storage clear with custom pre-installed apps optimized for fast and easy use.
