Description

This is the closest you can get to a high end smartphone without breaking the bank. The Samsung Galaxy A50 is the total package. Triple cameras ready for any occasion, a vibrant, crisp and large display, a big battery and a fingerprint underneath the display. It ticks all the boxes and then some with performance that is more than what you will need and a generous 128GB of storage.

Specifications

In Samsung Galaxy's 10 year anniversary they also decided to revamp their midrange offering. This is the Samsung Galaxy A50 perfect for the media lovers. It has a grand display with minimal bezels and enough storage to challenge your laptop.
