Description

The Samsung Galaxy A20 is one of the most affordable 2019 smartphones around. It comes complete with a modern looking edge-to-edge screen, spectacular battery life, a large display that does justice to the photos taken by the capable cameras. It put all the essentials of a smartphone in one pocket friendly price.

Specifications

In Samsung's 10 year anniversary they also decided to revamp their midrange offering. This is the Samsung Galaxy A20 perfect for the media lovers. It has a grand display with minimal bezels and enough battery to last for days. The 8MP selfie ensures your selfies are always crispy and the dual rear camera makes sure you don't miss a shot. The Samsung Galaxy A20 brings you all the essentials of a high end smartphone at a pocket friendly price.
