Description

The Xiaomi Mi 8 Lite is mildly toned down version of the flagship Mi 8 and comes with all the great bits. A phenomenal metal and glass build paired with a power efficient processor for a whole day of uninterrupted usage. It also comes with a 24MP selfie camera for near perfect selfies as well as a flagship grade display with a modern edge-to-edge design and brilliant detail.

Specifications

This is the most value for money smartphone you can buy. The Xiaomi Mi8 Lite comes with a crisp, sharp, big display perfect for staying productive. It has a very high end build of a combination of metal and glass for that premium look. The hardware is also premium with a class leading 24MP selfie camera with AI for perfect professional selfies every time. The battery is a long lasting one enough for over a day of usage. If you do manage to drain it, you can top it up rapidly because the Mi8 Lite supports fast charging. The Mi8 Lite is a proper powerhouse. The perfect all rounder. It has high end looks, a long lasting battery, a fantastic display and class leading cameras. Everything a flagship can do, it can do it too at half the price. This is the Xiaomi Mi8 Lite.
