## Description

## Specifications

Simple. Flexible. Compatible. The V330 is easy for IT to deploy, offering the simplicity of Windows 10 Pro, the flexibility of an Ultrabay drive that can house an optical drive or an additional battery, and the hardware compatibility of multiple USB-C and USB 3.0 ports. Reliable. Repairable. Secure. The V330 makes IT maintenance easy, too. It's reliable—as shown by the series of rigorous tests it undergoes against shocks, drops, and other extremes—and secure, thanks to its physical camera shutter, Touch Type fingerprint reader (optional), and integrated TPM 1.2 firmware. And IT can rest easy with the Lenovo Sealed Battery Warranty, offering three-year coverage for non-CRU batteries.

### Processor

- 8<sup>th</sup> Generation Intel® Core™ i7-8550U

### Operating System

- Windows 10

### Display

- 15" HD (1366 x 768) antiglare

### Memory
